10. TREASURER'S REPORT

We will be voting on our the Pac spending budget for 2025/2026. We will also have a deep discussion on the health and realities of the Pac's finances. Currently we are spending approximately 22,000 more every two years than we are bringing in through fundraisers. Due to our rapidly depleting funds, we are going to have to restructure how we are funding the grade 6/7 trip and up our fundraising in order to ensure we can still support the many extra curriuclar activities that the Pac makes possible.

11. NEW BUISNESS

In addition to the fundraisers we have done in previous years, we would like to host a winter carnival. Part of the money (In correlation with their contribution – will go to the grade 6/7 trip). The rest of the monies will go to the Pac to support all the programs and the Pac's contribution to the Grade 6/7 trip.

We also would like to add – providing food services to the Pickleball tournament and Rockers Curling Tournament.

New Ideas for Grade 6/7 fundraising include- participating by making carnival games at the winter fair, babysitting services for valentines in the school gym, possibly offering food services at the Mixed bonspiel (if the junior curlers decide not to take the opportunity).
