

CHRISTINA LAKE ELEMENTARY SCHOOL

2021-2022 Growth Plan Overview

Who We Are

CLES has a strong, positive culture. Staff, students, and families work hard to build connections that create a family-like atmosphere where all students feel safe and supported in their learning.

We believe we are building leaders – not just for tomorrow, but for today. Students K-7 are involved in caring for themselves, each other, and this place.

Our Learners

Our learners are living in a complex world and this year we are focused on helping them build resilience through belonging, perspective, acceptance, hope, and humour. This focus ties directly to our ongoing work around emotional regulation and problem solving.

Our Goals

Social Emotional Learning/Academic:

- 1. All students will demonstrate growing resilience in a variety of settings including academic, social, and emotional**
- 2. Students will know strategies for managing their big emotions**
- 3. All students will feel connected to at least one adult in the building**

Career Education:

- 1. Students will develop leadership and problem-solving skills through activities in a variety of contexts**
