Dear parents/guardians,

Our grade 3-4-5 class will be going to Kokanee Creek Park. Near Nelson, BC. from 8:25 am to 4:00.pm, on Monday, September 15, 2025

On this field trip we will have a Creekside observation of the Salmon spawning channel, a hike alongside the creek to the viewpoint, salmon teachings, lunch at the nearby playground and an opportunity to experience the Kokanee creek salmon school program.

Students will need to bring a water bottle big lunch with extra snacks. Layered clothing is recommended as the presentation will continue rain or shine. Please contact your child's teacher if you have any questions or are interested in volunteering.

***Accidents can be the result of the nature of the activity and can occur with or without any fault on either the part of the student, or the school board or its employees or agents, or the facility where the activity is taking place. By allowing your son/daughter to participate in this activity, you are accepting the risk of an accident occurring, and agree that this activity, as described above, is suitable for your child.***
