TEACHER REQUEST

Darren Nordman:

"We've fleshed out the approximate cost of our proposed field trip to Fort Steele in June. It would cost roughly \$325 per participant. This weekend, I plan on asking the parents if they support the idea of a field trip, as obviously they'd have to contribute a fair chunk of that cost.

Is this something the PAC could help us with? Obviously, we want to go to Victoria next June and I don't want to overstep with the PAC, as you have finite resources and there are other classes in need. I also realize that this might be a financial hardship for some families. Thoughts?"

"This is the link for school ratings. I believe if we skip the 1/2 hour morning walk's, we can add 2 hours of instructional period to the week. This change should bring up the students' scores and put us in the top ratings again.

When registering the kids, this rating was my top consideration on which school to choose for my kids' education. I am sure other parents considering moving to the area take this into consideration and when the school is not one of the best they consider moving elsewhere. "
