Plans for 2021

- Hot lunch needs to be planned for Feb thru June – Kristen has embraced the role and we just need to know what dates/menu's she wants to do. Angela B & Shawn will confirm with Kristen. There has been a great volunteer turn out for Hot Lunch...its much appreciated!
- No treasure's report but highlights include:
 - Christmas Purdy's raised \$1,241
 - Gross Raffle proceeds were ~\$2,225 less expenses of \$755 for a Profit of \$1,470
 - To date the PAC has spent more money than we've raised but we have funds carried forward from prior periods so will need to increase our fundraising efforts in the New Year
- Principal's report
 - First week back, kids are tired, families have COVID fatigue...everyone needs to get settled back into the routine
 - No changes to the existing COVID procedures
 - Kids will continue to walk every morning, Tues & Thurs afternoon activities
 - CLES is still planning on taking intermediate students to Red Mountain for 3 ski/board days in Feb
 - Lots of outdoor activities planned as part of the school day
- The bottle return program has been on hold for the school year to date as we have to deal with existing bottle backlog in the SeaCan. Shawn will touch base with Raelene to found the process and we can determine our approach going forward.
- New ideas? Are there any other things sponsored by PAC? Dr Seuss day, writing contestants...can we offer any online extracurricular programs to the students? We should explore these opportunities at our next PAC meeting.

The PAC meetings will change to 5:30pm on the 1st Thursday of the month so see you on Feb 4th!
