We like our students to be able to participate in the programs offered at CLES regardless of the ability to pay. If ordering lunch for your child would cause a strain on your household finances, please complete the form for your child and return it in a sealed envelope or zip-loc bag. The matter will be handled confidentially.

Parent help is needed to pick up the ingredients, assist with preparation, deliver lunches to the classrooms and help clean-up (limited number to ensure regulations are followed). Please indicate below if you can help with one or more lunches.
